Dear Parents,

We have had a busy week in school this week. We have had our yearly phonics trainer in this week to work with our staff to make phonics teaching the best it can be. She was very impressed by how settled the children were in Year R and how embedded the routines are for all the children in school. Can we take this opportunity to ask parents to support their children with their phonics reading and use the phonics links/QR codes that are sent home. It makes such a difference to the children's reading when they have the support from home.

Playtime Equipment– morning drop off

Please ensure that all the children are not on the playtime equipment in the morning before school. The equipment is not insured outside of school hours and the insurance requirements states that children must be supervised by a member of staff.

Attendance

This weeks whole school attendance is 96.2%. Penguins won the biscuit break this week with 98.4% attendance. Well done Penguins!

Well Done Certificates and Thank you Stars:
