Dear Parents,

It was wonderful to see the children perform for their families this week. We were incredibly proud of every one of them, from our confident narrators to the children singing so beautifully with their classes. Performing in front of such a large audience can feel daunting, yet they rose to the occasion with enthusiasm, maturity and a fantastic sense of teamwork.

The effort they have put into rehearsals over the past few weeks truly shone through, and it was a joy to watch their hard work come to life on stage. Thank you for your support, encouragement and for joining us in celebrating their achievements. Moments like these remind us how special our school community is. We look forward to sharing more of the children's talents with you as the year continues.

## Calmore Choir

Our choir visited Laurel Care Home on Thursday, performing a selection of Christmas songs for the residents. The children loved singing for a new audience, and their enthusiasm brought festive cheer to everyone there. The residents were delighted, and the children truly made their day. We're pleased to share that the choir has been invited back to perform again in the future.

## Dots

In DOTs this week, year one have been practising Teddy Breathing. They place a teddy on their tummy and watch what happens to the teddy as they breathe in and out. You could ask them to show you!

## Attendance

Whole school attendance this week was 91.65%. The class with the best attendance this week was Swallows with 98.2%. They really enjoyed their biscuits!

## Year 1 & 2 Christmas Disco and Year R Party

Please can we take this opportunity to remind you that the disco is **not** a non school uniform day.

The children can wear Christmas jumpers and we still have PE lessons which require the children to be dressed appropriately.

## Spare Clothes

Please make sure your child has spare clothes in school at all times including pants and socks. If they come home with wet clothes please replenish their bag with new clothes.

We hope you have a super weekend, we are looking forward to all the things planned in school next week.
