

Reception Summer 2 Newsletter

We hope you all have an enjoyable half term. The children have had a busy 5 weeks and seem ready for a break. It seems hard to believe that your children's journey in Year R is almost at the end! However, when we return, we have a jam-packed exciting 7 weeks, full of adventures! We will send out our topic web during the first week back for more information on what we will be learning in each area of our Year R curriculum. Please also note our important dates at the end of this newsletter.

Sports Week

We begin the half term with a wonderful sporting week. The children will have the opportunity to try out new and different sports, from curling to rugby, alongside some existing sorts such as, running, tennis, skipping, throwing, obstacles and cricket. Please can we ask that your children's PE kit is in school on the first Monday after half term.. The children will be wearing their kits daily. Thank you

Uniform

Thank you for continuing to make sure your children's uniform and PE kits are clearly named. As the sun continues to shine, please make sure any sun hats and sun creams are named. Sun creams must only be used by your child, so please talk to your children about not sharing their sun creams with their friends. Thank you.

All About Me

Please can we ask that if you have updated your child's All About Me book, can they bring it back into school for the last half term. As their journey in Year R comes to an end, it is lovely for the children to continue to share their books with their friends. Thank you

Early Years Profile Day

Towards the end of term, you will have the opportunity to discuss your child's progress as they reach the end of Year R. We will provide you with their end of year report, alongside the Government's national document on the Early Years Curriculum. This is a precious time to celebrate your child's successes and a day we very much look forward to sharing with you. Appointments will be offered nearer the time for you to book online. Dates for each class are shown below.
