Dear Parents and Carers,

We really enjoyed our sports day this week, it was great to see so many families coming to watch and support the children. We really appreciate your time to come and cheer the children on. Your child has also brought home their report to share with you. Please remember to return the questionnaire so that we can hear how we are doing. Your feedback helps us to be the best that we can.

FCIS Water Games

The Closing date for this session is on Friday 12th July.

We will not be able to accept any children after this time due to needing to organise the event and groups. To book you need to do so on FCIS.sumupstore.com

FCIS Ice creams

We will be selling ice creams for 2 more Monday's.

Ice lollies 50p, Ice creams £1

Transition to new classes

The children have all enjoyed going to their new classes to meet their new adults. We have had several new children also join our school mid year and they have been very well looked after by our children. We have talked about how it is normal to be a little apprehensive, but in our new classes there are lots of things that are the same as our current classes.

Meet the new teacher:

We are hosting our meet the new teacher sessions to enable parents to meet the new teachers and hear all about the learning in the new year groups and give you a chance to see the new classrooms as this is held in the classes. We have found the uptake for this event is better if we hold it during the school day. Please find the times below:

New Year 1 children Thursday 11th July, 2.30pm
New to Year 2 children Thursday 18th July, 2.30pm

Attendance

This weeks whole school attendance is 94%. Expected national school attendance is at least 95%. Duckling class won the biscuit break this week with 98% attendance.

Unfortunately, lots of children have been taken out of school for holidays at the moment. Please remember that the transition is really important for the children to feel confident and to know what is going on. We will be teaching every day until the end of term, attendance over these weeks are just as important as the rest of the school year.
