Dear Parents and Carers,

Apologies for my confusion in the year group for meet the teacher events, I know Nic has since emailed you a few times with the correct versions!

It was lovely for the new Year 1 parents to come in today and meet Mrs Weaver and Mrs Darch, as well as seeing the new classrooms.

FCIS Water Games Wednesday 17th July 3-4pm

The closing date to book on for this session is tomorrow- Friday 12th July. We will not be able to accept any children after this time due to needing to organise the event and groups.

To book you need to do so on FCIS.sumupstore.com

The children go home in their wet clothes, so you may want to bring a towel when you collect. Please make sure that whatever you send your child in with water gun wise is clearly labelled as we want to avoid any getting lost.

If you are able to volunteer at this session, please speak to us.

Library Books

The library books are now being collected and signed back in ready for the end of year. Please have a look to see if you have any school library books still at home so that Mrs Osborn, our librarian can

Picnic with the junior school

Next Friday, we will be having a whole school picnic with our class on the junior field. We will then play together with our friends from the junior school. The junior school Year 6 children come over and help organise games at lunchtime, so we already know lots of the older children and are looking forward to playing with them again.

Attendance

This weeks whole school attendance is 96%. Expected national school attendance is at least 95%. Penguin class won the biscuit break this week with 97.6% attendance. Well done to all of the children!
